Dear Parents/Guardians:

The Override Study Committee will hold a Public Hearing on **Wednesday, October 17, 2007 at 7:00 p.m. in the Old Lincoln School (Town Hall) Auditorium.** This session is intended to provide the community with an overview of issues being considered, as well as to hear from the public on the potential for an override recommendation from this Committee.

Much of the override discussion has focused on our proposal to lengthen the school day in order to increase student-teacher contact time and make us more competitive in attracting and retaining teachers. In addition, we have worked closely with the Committee to examine the proposed elementary world language program, the continuation of our Brookline High School tutorial program, and the annual challenges in creating our operating budget.

I would encourage each of you to attend this Public Hearing in order to learn more about the issues being discussed by this Committee, as well as to express your views on the school and town budget possibilities currently under consideration.

Sincerely,

William H. Lupini, Ed.D.  
Superintendent of Schools

## Understanding Disabilities

One of the reasons our children receive such a well-rounded education at Pierce is the diversity of our community. One of the ways in which this tolerance and understanding is enhanced and encouraged is through the Understanding Disabilities Program held each year for all Fourth Graders. This is a parent run program and we need you to make it work.

Please consider participating in this program. We need parents to run learning stations and to act as chaperones for the groups of students. There are four sessions held in the mornings and one training session per topic held in the evening. This is really a very small time commitment on your part and a huge contribution to the students understanding of the world.

Contact the parent coordinators to sign up! Mary Ellen Hartigan at (617)277-4430 or Adele Munger Mathieu at (617)566-5865 or adeledre@yahoo.com

The schedule is as follows:

**Visual** - November 28 (8:30-11:30am)  
with training held on November 27 (7:00-8:30pm)

**Hearing** - December 14 (8:30-11:30am)  
with training held on December 13 (7:00-8:30pm)

**Physical** - January 17 (8:30-11:30am)  
with training held on January 15 (7:00-8:30pm)

**Intellectual** - February 14 (8:30-11:30am)

**CONDO FOR RENT:** Pierce School district. Beautiful, sun-filled 2 bedroom 2 bath newly renovated corner unit with balcony and underground secure parking. Minutes to Coolidge Corner, T and shops. Overlooks green space and Griggs Park. No smokers or pets. \$2200 per month includes heat and AC.
