

Summer Reading Rating Sheet for Grades 1 – 8

Dear Student,

Please list the books you read this summer from the Summer Reading List and rate each book on a scale of 1 – 10, 10 being the best, and 1 the worst. Please be thoughtful. Your opinions are important. The rating sheets provide a useful tool as we revise the list each year. Return this form to your classroom/English teacher or librarian the first day of school in September. Thank you.
